

## **Function**

1. MP3/CD/CD-R/CD-RW/WMA disk playback.
2. MP3/CD/WMA file playback from CD/USB/SD/MMC card direct access.
3. Color LCD shows all work stations.
4. EQ control (FLAT/CLASSIC/POP M/ROCK M/DSP OFF).
5. FM/AM,30 stations memory function.
6. Electronic encoder volume control.
7. Electronic encoder bass/treble/balance/fader/adjust.
8. Loudness control.
9. Electronic anti-shock (ESP Function).
10. MP3 selecting by sequence number/track name/id display.
11. Repeat/Random/Intro playback.
12. Mute Function.
13. High power output 4 x 40W.
14. Clock display and adjust function.
15. Detachable front panel protects against theft.
16. ISO/DIN mounting chassis.

## **FM Section**

1. Frequency range:FM87.5-108MHz
2. Channel step 50KHz
3. Intermediate frequency 10.7MHz
4. Sensitivity 2uV at 30 dB S/N
5. Stereo separation >30dB
6. Signal to noise ratio >50dB

## **CD Section**

1. Signal to Noise Ratio >60dB
2. Channel Separation >50dB(1KHz)
3. Frequency Response 20Hz-20KHz
4. LINE-OUT
5. Output 350mV max
6. Impedance 10KOhm

Specifications and the design are subject to possible modification without notice due to improvement.

## **Option**

1. CDC function.
2. AUX input.
3. RDS function.
4. Sub-woofer out function.
5. Wireless remote control for all functions.

## **Packing**

Unit 275\*226\*89mm, 2kg/pcs, 6pcs/ctn,565\*288\*247mm/ctn,Total 12kg/ctn.
